In both the draft indicated on the office note, I respectfully beg leave to submit that the G.O.[x] relating to the Agreement appears at first sight to apply only to Appts of Hon[ble] A but Hon[ble] Surgeon ~~Lieut-Colonel~~ & the draft Agreement & the penalties are made applicable to Hon[ble] Appointments.

The Council Resol[n], the Trial of the Hon[ble] refers however refer to "all new entrants into the Medical Depts which may include Specialists appointed at once to higher grades, Lady Superintendents &c.

It seems therefore desirable to refer the papers back to the Senior Surgeon & make the draft Agreement applicable

General Deptt., Bangalore.

Sir,

With reference to Government order No. 6534-6--Medl. 56-14-24, dated the 7th March 1916, I have the honor to forward herewith, for favour of approval, a draft of a covenant to be taken from Medical Officers and subordinates to be entertained in the State Medical Service.

Even without the obligation of executing a covenant, we find very difficult to secure the services of suitable qualified hands to fill up vacancies as Nurses. In Madras also, there is no rule requiring a bond from Nurses. I would therefore respectfully suggest Nurses being left alone.

Following the Madras practice, I have proposed a penalty of Rs.1,000/- in the case of Assistant Surgeons and Rs.400/- in the case of Sub Assistant Surgeons.

I need not add that this agreement is intended to apply to only such candidates as have not received any help from the state during the period of their professional
